

NIGER NEWS (p. 16 – 18)

1. Why does the community employ a caretaker for the borehole (p. 16)?

2. Identify the benefits that safe water has brought to the community:

3. List three reasons why there might be food shortages in this community:

- (i) _____
- (ii) _____
- (iii) _____

4. Read **'Women launch soap-making business'** (p.18) and design a magazine advertisement to launch the new soap in the Australian market.

There is an increasing demand for products that will help developing communities in the world – the advertisement would also inform the audience about the benefits of buying this great new soap. Research FAIRTRADE product for ideas.
