

ACTIVITY I – How Does It Feel?

Imagine going to sleep with a grumbling, sore stomach and waking up feeling the same most days. Your constantly empty stomach gives you a tired feeling, making it difficult to find the energy to stand up.

Describe your thoughts, knowing that today your parents may not source any food for you. Write or draw your response in the thinking bubbles:

- **See:** How do you see your family responding in this situation?
- **Think:** What do you think is going on to have caused this impact on your life? What does it make you think will happen next?
- **Wonder:** What does it make you wonder?

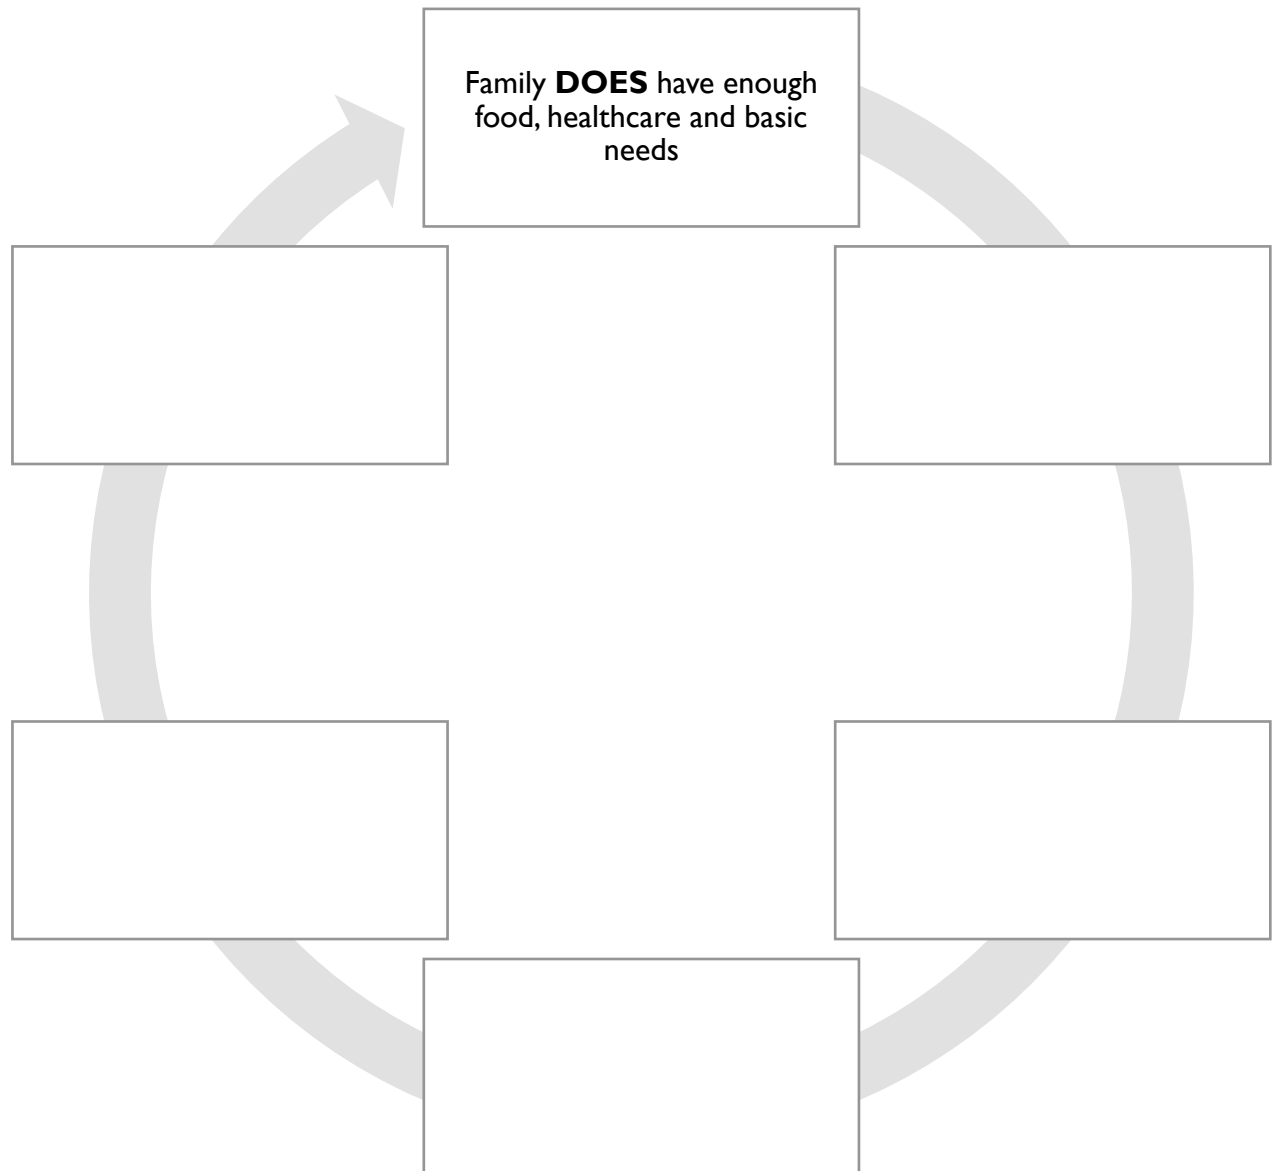

ACTIVITY 2 – Reverse the Poverty Cycle

World Vision is entrusting you to reverse the poverty cycle. Start at the top box of the cycle below and complete the flow on effects of a family having enough food, healthcare, and basic needs.

You have been tasked to gain the attention of the Australian Government. Create a headline at the top of your diagram to capture the heart of the issue.

Headline:

ACTIVITY 3 – Viola’s Story

Read ‘Viola’s Story’.

Step inside the lens of Viola and complete the boxes below.

<p>What does Viola see, observe or notice?</p>	<p>What might Viola understand or believe to be true?</p>
	
<p>What might Viola care deeply about?</p>	<p>What might Viola wonder about or question?</p>

ACTIVITY 4 – I think...

Poverty and hunger are very complex issues.

Explain how your thinking around this issue has changed today.
