

## A day in the life of Lucy: Education activities by subject and year level grouping

| Activity                         | Geography | English | Maths | Civics & Citizenship | Art & Design | Phys Ed | Health | Lower years | Middle years | Senior years |
|----------------------------------|-----------|---------|-------|----------------------|--------------|---------|--------|-------------|--------------|--------------|
| Where is Uganda?                 |           |         |       |                      |              |         |        |             |              |              |
| Lucy's story                     |           |         |       |                      |              |         |        |             |              |              |
| What is poverty?                 |           |         |       |                      |              |         |        |             |              |              |
| Why is clean water important?    |           |         |       |                      |              |         |        |             |              |              |
| Make a toy                       |           |         |       |                      |              |         |        |             |              |              |
| Play a game                      |           |         |       |                      |              |         |        |             |              |              |
| Exploring the rights of children |           |         |       |                      |              |         |        |             |              |              |
| What does it mean to share?      |           |         |       |                      |              |         |        |             |              |              |
| Reflection and action            |           |         |       |                      |              |         |        |             |              |              |

### Note

- Activities are listed in a suggested teaching order for an integrated unit of study, however they are interchangeable. Lucy's Story is the core activity; all other activities reference this in some way, however if adapted they could stand alone. It is not necessary to deliver all of the activities.
- "Lower years" refers to the first 2-3 years of primary school. "Middle years" refers to the middle 2 years of primary school, and "Senior years" to the last 2 years of primary school.
