

Indonesia

We live in a diverse world: Indonesia

1. **Before viewing:** The class is about to go and visit Indonesia. List what you expect to see in Indonesia and any questions you have about the place.

What do you expect to see in Indonesia?	Questions about Indonesia

2. Watch the DVD **without audio** and complete the table below:

Observations What did you see? What did the images tell you about the place?	Questions What questions do you have about the place? What would you like to know about the place?

3. Discussion questions:

Was there anything about Indonesia that surprised you? Anything you did not expect to see?

How is Indonesia similar and different to Australia?

How has Indonesia been represented by this DVD? In what ways might it be misleading?

How could they find out more about what Indonesia is like?

Indonesia

Case studies in water, food, urbanisation and human wellbeing DVD

We live in a diverse world: Indonesia

4. Watch the DVD chapter **with audio** and complete the table below:

Observations What did you learn about the place with audio?	Questions What questions do you continue to have? What new questions did this DVD chapter raise?

5. Discussion questions:

How is Indonesia similar and different to Australia?

Would you like to go to Indonesia? Why/why not?

How has Indonesia been represented by this DVD? In what ways might it be misleading?

How could Indonesia be represented in a different way?

How could you find out more about what Indonesia is like?

If you were to make a three minute DVD chapter about Australia, what would you include? What images and text would you use to represent Australia?
