

Hangin' out

with John in Zambia

Hi, my name is John and I'm 12 years old. It's not easy carrying water on your head. It's heavy!

Before the well was built, I had to walk a long way to collect dirty water from a stream. This is a lot better!

Here I am pumping water from the new well.
Now I have more time to do the things I
really love - like play football.

Here I am collecting water to take back to my family.
Everyone in the village collects their water from this
pump.

This is my family and our crop of corn.
We eat a lot of corn in Zambia.

I like washing my face in
the cool, clean water.
