International trade – cashews (p.30-33)

On the world map below, draw the transport route for cashews from Dun Tana (Flores) to Maumare (Flores) to Surabaya (Java) to Chennai (India) to an Australian port and then to your home town (see p.30-31).

Colour the five main cashew production countries and the five main importing countries. What regions of the world do they represent (see p.32-33)?
